Welcome to Malta!

Helpful tips:

Weather:

Temperatures in November average from **15°C to 21°C**, ideal for exploring without the summer heat. Days are perfect for light layers, but evenings cool down quickly, so keep a light jacket handy. The sea is still warm from the hot summer, which is excellent for a refreshing dip right after a hard session at the dojo!

Exploring beyond the Dojo

November's cooler temperatures are perfect for exploring Malta's rich history and stunning landscapes:

- **Valletta:** Visit the capital city, a UNESCO World Heritage site known for its beautiful Baroque architecture and magnificent St. John's Co-Cathedral. Cross the Grand Harbour from Valletta via a traditional *dghajsa* (water taxi) to Vittoriosa, Senglea, and Cospicua. These fortified maritime towns offer untouched winding alleys and incredible waterfront views.
 - **Mdina: (The Silent City):** Malta's ancient medieval capital is a stunning city of golden limestone. November is the perfect time to wander its quiet streets and take in panoramic island views from the bastions.
 - **Gozo:** Take the fast ferry to Malta's sister island for a rugged, tranquil escape. It features dramatic green cliffs, prehistoric temples, and a peaceful, slower pace of life.
-

Steps from your stay!

As we hope you will be staying at the official hotel; here are some places we suggest you visit!

- **Golden Bay & Ghajn Tuffieħa:** The hotel directly overlooks Golden Bay. A short walk over the clay paths of the headland brings you to Ghajn Tuffieħa, a spectacular, raw crescent beach guarded by a medieval watchtower.
- **Il-Majjistral Nature Park:** Right next to the hotel, this national reserve features clifftop trails with some of the most incredible sunset views on the island.
- **Mgarr Village:** Just a 5-minute drive from the hotel, this traditional agricultural village is the ultimate local spot for a post-training meal. It is famous for authentic Maltese feast food like rabbit (*fenek*), horse meat (*laħam taż-żiemel*) and snail dishes (*bebbux*).
- **Mellieħa:** This nearby village is worth a visit. Its Parish Church is a prominent landmark, and soak in the town's picturesque streets.
